Price	389		439		

COLOURS

genX[®]
URBAN

A close-up photograph of a yellow and white striped fabric, possibly a hat or a piece of clothing, with the text "Feel The Fabric" overlaid in the center. The fabric is tightly woven and shows a distinct texture. The colors are a bright yellow and a clean white, alternating in a consistent pattern. The lighting is soft, highlighting the individual threads and the way the fabric folds and curves.
